CENTRAL INTELLIGENCE AGENCY

OFFICE OF THE DIRECTOR

11 October 1962

Executive Registry

Please forward all mail addressed
to Mr. Dulles to me without opening it.

5 October 1962

MEMORANDUM FOR: [REDACTED]

25X1A

FROM: A. W. Dulles

25X1A

The attached letter is a matter for the Agency to handle if you have any interest in it. I have no idea whom the writer may be.

I am receiving a great deal of mail which comes to me because of my former position as Director and not in any personal capacity. It would save me a good deal of time and possibly also the Agency if you could short-circuit these letters in your registry and handle them directly.

If any of the mail, when opened, seems to be of a purely personal character, then it could be forwarded.

Accordingly, I hereby authorize and request you to open all mail addressed to me in care of the Agency and to take appropriate action (which generally means assigning it to the wastebasket) with regards to all mail which, upon opening, does not appear to be of a personal character.

If this causes you any trouble, please let me know. Advertisements and such like mail need not be forwarded.

The Honorable Allen W. Dulles
2723 Ques Street N. W.
Washington 7, D. C.

Dear Mr. Dulles:

We are sorry that you will be unable to attend the buffet on the evening of October 16th. I have explained the reasons to Mr. McCone, who understands completely and regrets your inability to attend.

With reference to your memorandum of 5 October, about mail which is received in the Agency and is not of a personal nature, I have asked the Executive Registry to send these to me, and I shall be glad to take appropriate action on them for you.

Attached you will please find a memorandum from Matt Baird and copies of the correspondence which you requested concerning Agency representation in the National War College.

Sincerely,

/S/
